from the DC Mangalore
letter no AS 176/43-44 of 25 2 44
Particulars in connection with the points referred to
in the above
1 The income from toll for the last 3 years
is stated to be (1) 1940-41 - - Rs 17,198
(2) 1941-42 , 17,309
(3) 1942-43 17,428
It is reported that there are 7 toll gates
on the three roads and that with the idea of

Revision of the scales of pay of the establishment mentioned

Collection the toll departmentally for ever, the existing establishment may be made permanent The existing toll establishment consists of one Toll Supervisor, Four Toll Mutasaddi and seven toll peons. He points out that it was a mistake that an increase was proposed in the number of peons from 7 to 10, in the proposition statement

With the present revised proposal to make the existing establishment permanent, the extra cost would be only the pensionary contribution that would be necessary to be paid for ever

The question of the Municipality Committee to continue the existing toll establishment on a permanent basis, on the revised scale of pay may be sanctioned as recommended by the Deputy Commissioner

Municipality may be made permanent as the Board requires

1 Toll Supervisor 15-1-20
4 Mutasaddis @ 12-1-15 each
7 peons @ 10 each

1 Toll Supervisor @ 15
4 Mutasaddis @ 12 each
7 peons @ 10 each
